## **Useful Information A - Z**

## Our expectations, code of conduct and other information about the College

Access Card	You need your access card to get into College. Once in College, please have your card				
Access Caru	with you at all times. You use the card for photocopying and when you work in the				
	ILC. If you forget your card, you can get a day pass - but only once. Thereafter, you				
	will be sent home to get your card.				
	We regard the following as disciplinary issues:				
	giving your card to somebody else to get into College				
Attendance and	<ul> <li>tailgating on someone else's card.</li> <li>We expect that you attend all your lessons (including tutorial, LIP, workshops, ALS) on</li> </ul>				
Absence from	time. We expect 100% attendance. Anything lower impacts on your success. Your				
College	attendance is centrally monitored and disciplinary action is triggered if attendance				
College	gives cause for concern. A serious disciplinary sanction will be that your examination				
	status will become "Non Entry". For details, please refer to the <i>Student Code of</i>				
	Conduct & Disciplinary Procedures.				
	The student's parents/carers should telephone or e-mail the College by 10am on the				
	first day of any absence, giving the name, date, reason for absence and expected date				
	of return so the register can be updated. Contact numbers to report absences are:				
	Reception (01737 551176) or Cathy Turner (01737 551176 ext 169). Alternatively				
	email enquiries@coulsdon.ac.uk or catherine.turner@coulsdon.ac.uk .				
	On return to college, a letter from parents/carers needs to be brought in on the first				
	day back to college to explain the absence. If this is not received within a week, the				
	absence counts as unauthorised. Alternatively, parents can complete an absence				
	form, which is available from Student Reception.				
	Please inform your Senior Tutor of any on-going/long-term illness, so that we can				
	support you, as appropriate. You will need to provide supporting medical evidence of				
	an on-going condition from a GP or hospital physician.				
	Holidays in term-time will not be authorised under any circumstances and will count				
	as unauthorised absence. In exceptional circumstances (e.g. bereavement), absence				
	during term time may be granted as authorised. Your parent/guardian will need to				
	contact the Associate Principal (Students) christel.hartland@coulsdon.ac.uk				
Behaviour and	We strive to provide a safe, respectful and purposeful learning environment and				
Standards	community and therefore expect you to treat your teachers, peers and the College				
	facilities with respect. This is your and our place of work and we all need to cooperate				
	to keep the College community harmonious, safe and conducive to learning. As the				
	College is a learning and working environment, we expect everyone to behave in a				
	mature and adult way. Aggressive and offensive behaviour and language are not				
	appropriate and not tolerated, neither is excessive noise or horseplay.				
	Teachers expect your cooperation and focus in class. Any form of disruption to the				
	learning is not acceptable. If a teacher feels that your attitude and behaviour are not				
	acceptable, they will give you a warning or, if required, send you to see a duty				
	manager. Inappropriate behaviour in class or college can lead to disciplinary action.				
Bullying (including	We want to maintain the College as a safe learning and working environment.				
cyberbullying),	All types of discrimination, harassment and bullying (whether directed at peers,				
Harassment and	college staff or visitors) are completely unacceptable. We take this very seriously and				
Discrimination	do not tolerate any form of bullying, harassment or discrimination. We regard				
	bullying, harassment and discrimination as gross misconduct, resulting in serious				
	disciplinary measures.				
	If you feel you are being bullied/harassed/discriminated against, or have witnessed				
	any form of bullying, harassment and discrimination, please speak to your Senior				
	Tutor or to the Associate Principal (Students). The matter will be taken seriously and				
	investigated.				

Careers Advice	The Careers Office is in Room 166.There is a careers library, and you can access
	professional advice and guidance.
Change of Address	Please inform Student Reception of changes to your or your parents'/guardians'/
Change of	carers' email, phone number or address contact details.  After enrolment, you may wish to change one or more of your subjects. The window
Change of	, , ,
Programme	for changing is very short, as you can only change between Monday 11 and Friday 22
	September 2017, providing you have the correct entry qualifications and providing
	that there is a space on the course you wish to change to. You must see your Senior
	Tutor to discuss the potential course change.
	Following the first Interim Review in September a Head of Department may raise serious concerns which will result in you discontinuing the subject.
Complaints	We want to eliminate any aspects of College life or procedures which prevent your
Complaints	success. If you wish to make a complaint, please speak to your Senior Tutor in the
	first instance. If you wish to make a complaint about a member of staff, please
Councelling and	contact the Deputy Principal, Steve Gooch.
Counselling and	The Welfare and Counselling Service is confidential. You can book an appointment via
Welfare Service	Student Reception.
Deadlines	Deadlines are deadlines and must be met. Any extension of deadlines has to be
Disciplinant	agreed by your teachers in advance.
Disciplinary Procedures	For details, please refer to the <i>Student Code of Conduct and Disciplinary Procedures</i> ,
	which your tutor has given you.
Dress Code	We expect you to dress as you would for work in an office environment. Coats, hoods
	and caps/hats are not allowed in class and hoods are not allowed to be worn
	anywhere on college premises. Whilst we do not have a uniform, we are aware that
	students express their personality through the way they dress. However, we expect
	this to be within reason. Clothing must not cause offence to others by displaying
	images, or language, which is inconsistent with the College's Equality and Diversity
	Statement. If a member of staff tells you that your clothing is unacceptable, and asks
	you not to wear it, please comply - it is not up for negotiation. If a student's dress is
	deemed unacceptable this will be discreetly discussed with you. We would not expect
	you to dress that way again. However, in extreme cases we may need to send a
Davis and Alashal	student home to change.
Drugs and Alcohol	In line with our safeguarding and legal responsibilities and duties, drugs and alcohol
	are not permitted in any area of the College premises or grounds, on your journey to
	and from College or during college trips. If you are found in possession of, or under
	the influence of either, it will be treated as gross misconduct and will result in
	permanent exclusion. You will be sent home from college if a member of staff has
	good reason to believe that you have been using drugs or drinking alcohol.
	If you would like to speak to someone in confidence about drug or alcohol issues, you
	can discuss your concerns with Sandra Barber, the College Counsellor and Welfare Officer (Room 22).
Duty Manager	A senior member of staff is on duty throughout the College day. If you have any
Duty Manager	concerns or would like to talk to someone in confidence you can contact the duty
	manager via Student Reception or alternatively, speak to your Senior Tutor.
	Members of staff may refer a student to see the Duty Manager if the student is
	distressed or disrupts the learning environment. The Duty Manager will deal with the
	situation as appropriate.
Examination Fees	The College will usually pay for your registration with the awarding bodies and the
LAGITITIALION I CC3	examination fees. However, in cases of serious academic or attendance disciplinary
	sanction, when a student has been made Non-Entry, the College may withdraw the
Extra-curricular	student's exam entry. For details, please refer to the <i>Student Code of Conduct</i> .  The College offers a wide range of extra-curricular and enrichment activities at
Activities and	
Enrichment	different times of the day. Visit the Fresher's Fair in September or speak to the Enrichment Coordinator, Sports Coordinator or Student Union or D of E coordinator.
LIIIICIIIIEIIL	Emicriment Coordinator, Sports Coordinator of Student Officir of D of E Coordinator.

	New ideas for clubs or activities are welcome. Employers and universities like to see that applicants have participated in extra-curricular activities.
Financial Help	Please speak to your Tutor or Senior Tutor if you are experiencing any financial
i maneiai ricip	difficulties; or ask at Student Reception to speak to Wendy Cook, the Bursary Officer.
	Guidance and forms are available from Student Reception. Support may be available
	for students in care or for those who are carers, have a disability or are in homes
	receiving income support. There is some additional funding available if students find
	themselves in financial difficulty.
Fire Alarm	Make sure you know where the fire exits are and what the evacuation procedures
THE Alaim	are. If you need assistance during evacuation, please make this known to Paul
	Mottram, the Estates Manager.
First Aid/Illness	If you feel ill whilst at College, please report it to Student Reception or, if necessary,
•	you will be accompanied to Student Reception to see a First Aider. If you feel unwell
	and need to leave College early, you must report to Student Reception to sign out.
	Please note that First Aiders are not permitted to administer medication. If you are
	injured a First Aider will attend to you.
Food and Drink	Food and drink can be purchased from the College Refectory, as well as from vending
	machines.
	Please consume food only in the Refectory or in the covered courtyard. In class, and
	all other learning areas, including the ILC, you are only allowed to drink water. Food
	consumption in class and learning areas is not allowed. Please also note that hot food
	can only be eaten in the Refectory.
Headphones/	Headphones must be removed when in class. If a teacher feels it will be beneficial for
Listening to music	(part of) the lesson for students to listen to music, they will give explicit permission
o .	for you to do so for a specified period of time.
Hoods and	Hoods and caps/hats are outdoor wear and must not be worn in class.
caps/hats	
Homework and	Expect to spend a minimum of 4 hours on independent study for each subject/block
Independent Study	every week. Independent study takes many forms, such as research, reading, going
,	over notes, revising, coursework or assignment writing or writing an essay.
	Be prepared for your lessons - bring your notes/ learning packs/textbooks and any
	materials and make sure that you have completed the homework/independent study
	work set by your teachers. Your timetable already shows some of your private study
	slots.
Independent	The ILC is situated on the ground floor and provides a silent study space for you to
Learning Centre	carry out research, complete your homework, assignments and revision.
(ILC)	An adjacent room can be used for group work. The far gallery areas are for private
()	study.
IT	The College's IT resources and network are for educational use. You must observe the
	standards as defined in the <i>Student s' Acceptable Use of IT Policy</i> which is issued to
	you at Induction. Student misuse of IT could lead to disciplinary action.
	Ensure all work is saved in more than one area. Save in your user area on the H-drive
	as well as in the Cloud. USB sticks may be used but must be backed up.
Internet Safety	The College aims to provide a safe learning and working environment and a safe
	community for all students and staff. This also includes the use of the internet and
	social media. Our firewall will block access to (potentially) dangerous or distressing
	sites. We expect all students to use social media responsibly.
Lateness/	Don't arrive late - we think it is disrespectful to your peers and teachers to arrive late
Punctuality	as it disrupts the lesson and learning. You will find a journey planner on page 10 of
	this booklet.
	If you are late, knock politely and wait until the teacher lets you in. We call this our
	"knock and wait" policy.
	Persistent lateness will become a disciplinary matter.
	If there are travel disruptions or other legitimate reasons that will make you late,
	in there are travel disruptions of other regionnate reasons that will make you late,

	please phone the College and let us know about the situation.				
Learner	If you have fallen behind with your work, your teacher will put you on a 6 week LIP				
Improvement	programme (one hour per week). The LIP session will be on your timetable and takes				
Programme (LIP)	place in the ILC. Your teacher will give you a detailed programme of what you need to				
<b>5</b>	do.				
Learning Support	If you wish to discuss learning support to help you achieve or have previously been				
(ALS)	entitled to additional time in exams or a reader/scribe, please see Peter Wraith and				
	his team in Room 5.				
Litter and	Don't! We don't like litter and neither do your peers. Respect your environment.				
Recycling	Please tidy up after yourself and use the recycling bins provided.				
Mobile Phones	These should be turned off in lessons unless specified for that particular lesson by the				
	teacher.				
Parking	There are only 9 spaces for student parking. If you wish to use the College car park				
-	you must come to Room 1 to confirm your vehicle details with us or you will risk				
	having a parking ticket issued which will carry a fine. Only student disabled badge				
	holders will receive a permit from the College Estates Department. All vehicles must				
	be driven sensibly and properly parked in marked bays. Do not park in the disabled				
	bays unless you are authorised to do so. For motorbikes and bikes, please use the				
	designated parking spaces.				
Part-time	Part-time employment can provide valuable work experience.				
Employment	However, there is ample evidence to suggest that more than 10 hours a week of part-				
. ,	time work lowers your success in your courses significantly.				
Photographs	Please respect the privacy of your peers and college staff. We do not allow				
0 1	photographs to be taken in the toilets, first aid room, changing rooms, sportshall,				
	dance studio, theatre.				
Plagiarism and	Your homework, assignments and coursework have to be your own - not somebody				
Malpractice	else's. We (and the awarding bodies) take cases of plagiarism very seriously and				
·	suspected plagiarism will be investigated. If proven, it could lead to disciplinary				
	action.				
Progress Reports	We issue 6 Interim Reports. Teachers give grades (1-4)for each of the following				
(Interim Reports)	aspects:				
	<ul> <li>Motivation (quality of the student's work relative to their ability)</li> </ul>				
	Class ethic (conduct/behaviour in class)				
	Time management (meeting deadlines and keeping up to date)				
	These three areas together make an average effort grade.				
	A Grade 3 means that you meet expectations; a Grade 4 means you perform above				
	expectations. Grade 1 and 2, however, indicate (serious) cause for concern.				
	If the concern is in one subject, the Head of Department will meet with you and your				
	parent/guardian. If the concern is in more than one subject, your Senior Tutor will				
	coordinate a meeting with you and your parent/guardian. In any case, targets will be				
	set which will be reviewed at the agreed time (usually 2 weeks). If you fail to meet the				
	targets, academic disciplinary actions will be taken. A serious sanction would be that				
	your Examination status will become "Non Entry " and will remain so until late April				
	when it will be reviewed.				
Ready to Learn	We expect you to be ready to learn and to attend every lesson. By this we mean:				
,	Arrive on time, bring your textbooks/learning packs/resources,				
	pen/paper/USB stick				
	Make sure you have completed all homework and independent learning				
	Get involved in the lesson, make notes and contribute				
	Be curious about your subjects				
	Enjoy the learning process and experience				
	<ul> <li>Challenge and stretch yourself – your brain is like a muscle that likes to be</li> </ul>				
	exercised.				
	Strive for success				
	• Strive for Success				

Relaxation Areas	The designated areas for relaxation are: the Refectory, covered courtyard or the field.
	During lesson times, the rear galleries are working areas. Please note that the front
	gallery and stairwells are not areas for sitting or socialising.
Sexual Health	There is a regular Sexual Health Clinic open to all students which offers a free and
	confidential service. Further details are available from Student Reception.
Signing Out	If you have to leave College during the College day, through illness or otherwise, you
	must report to Student Reception to sign out before leaving.
Smoking and	Whilst, for health reasons, we wish to dissuade students from smoking and vaping
Vaping	we have provided a clearly identified, smoking/vaping area. Any student found
	smoking/vaping anywhere else on site will incur disciplinary action.
Special Access	If you had special examination arrangements at school, contact Peter Wraith in
Arrangements for	Room 5 to discuss this.
Examinations	
Student	All members of the Student Union (SU) are part of our Ambassador team. We also
Ambassadors	welcome non-SU students to join the team. If you wish to be an ambassador speak to
	Michelle Perkins in Student Services.
Student Property	Do not bring items of high value into College and do not leave your property
	unattended. The College cannot accept responsibility for any lost items.
	Lost property is usually handed in at Student or Main Reception.
Student Union (SU)	We have an active Student Union. Talk to the SU Officers and Greg Saunders to get
	involved.
Transport for	Please check the TfL website, where you can find information about the Oyster card.
London	Student Reception can also advise you.
Workshops	All subjects offer highly beneficial workshops, which you will be asked to attend.
	These are usually focused on specific topics or skills.
	Make use of these workshops!
