Alternative Dispute Resolution

Many people are reluctant to use the court system; either because of the levels of stress involved for themselves and their families, or the cost. Read the attached article and produce a poster that describes the alternative methods to dispute resolution.

Make sure you cover:

- Arbitration
- Mediation
- Conciliation
- Negotiation

Research Task- Supreme Court

Conduct your own independent research on the Supreme Court

Points to consider:

- The role and significance of the Supreme Court
- The make-up of the Supreme Court (who sits on it)
- A key case that has been heard in the Supreme Court and its significance
- Your own evaluation of the Supreme Court. Is it fit for purpose or does it require some reform? Remember to justify your answer.

Present this research in the format of a two page report.
