

**A-Level Sociology Introductory day- Summer Homework- Researching Cultures and Sociological Theories**

**Your Task:** You need to research **TWO** different **CULTURES** and fill out the following table ready to discuss upon return. In the left hand column are some ideas to compare the two cultures.

- Try to use two very different cultures to make the discussion more interesting.
- For example, you might decide to look at the **UK** and **China**:
- You are free to make your own table and add as much detail as you wish.

	<b>Country/Culture 1:</b>	<b>Country/Culture 2:</b>
Religion/Religiosity

**Questions:**

- What was the most interesting cultural difference that you noted?
- Are there any cultural differences that we have missed out?
- How do we learn culture?

**Task 2:**

**Research and make notes on the following sociological theories:**

- 1. Functionalism**
- 2. Marxism**
- 3. Feminism**
- 4. Interactionism**
- 5. Postmodernism**

**For each theory consider:**

- What is their explanation of how society works?**
- What key concepts do they use? Have you identified and described them?**
- Are there are problems/criticisms with the theory?**
