

COULSDON SIXTH FORM COLLEGE

BTEC Music (PERFORMING) INTRODUCTORY DAY

On Music (BTEC) you will learn about both solo and group performance, develop your technical and theory skills, be introduced to a range of historical music styles and be involved in an exciting programme of live concerts.

You can watch two recent concerts from Boxpark and Project B here on Youtube:

INDUCTION...

GROUP PERFORMANCE

1. Using the chord and lyric sheets, rehearse a performance of 'Ain't No Sunshine'
2. Watch the video here <https://www.youtube.com/watch?v=tIdIqbv7SPo>
3. Perform to a small audience

RESEARCH TASK

WORK TO BE COMPLETED OVER THE SUMMER:

Prepare one song to audition at the start of the Autumn term.

Your song should demonstrate your current skill level. You should aim to have memorized this song and rehearsed it to as near a professional level as possible.

Make sure you have any backing tracks, Youtube videos or CDs you need when you perform this track in September.

EXTENSION TASK...

1. Using Youtube or other sources, find 3 different vocal or instrumental warm-up routines that you might use before a rehearsal or performance
2. Create your own 10-15 minute warm-up routine, selecting the best ideas from your research.
3. Use this routine 3 times a week over the summer

SEE YOU IN SEPTEMBER!
