INTRODUCTORY DAY TASKS

Welcome to Coulsdon Sixth Form College Performing Arts Department. In this session you will learn about the BTEC Level 3 course and the expectations within the department. You will have an opportunity to explore voice, movement and characterisation through a typical sixth form lesson. You will be expected to complete the summer tasks which will demonstrate your passion and commitment for the Performing Arts.

SUMMER - TASK 2

Select and learn one of the attached monologues. You will perform your monologue to the class during your first lesson in September. Consider use of voice, movement, characterisation and props. We are really interested in how you explore the character.
