

Psychology: Summer Preparation Assignment

Research three psychologists and summarise their famous work. Some examples of psychologists you might like to research are:

- Sigmund Freud
- Stanley Milgram
- Phillip Zimbardo
- Roger Sperry
- Elizabeth Loftus
- Simon Baron-Cohen
- Solomon Asch
- John Bowlby
- Harry Harlow
- Ivan Pavlov
- Albert Bandura
- ... any others you wish to research

Some examples of websites you might like to use are:

- www.bps.org.uk
- www.psychology.about.com
- <http://famouspsychologists.net/>
- http://www.psychnet-uk.com/x_new_site/student_information/psychologists.html
- NO WIKIPEDIA print-outs
- NO Plagiarism (copy and paste) summarise your findings in your own words.

What to include in this assignment

- Picture of the psychologist
- Title of their research
- Summary of the findings of their research
- Why you find the study interesting
- Why you think the study is of interest to psychologists and everyday life

Deadline: First Psychology lesson in September 😊
