THE PROJECT: Me, Myself and Isolation

Welcome to Coulsdon Sixth Form College Visual Arts department, I am Neal Vaughan, Course Leader for A/level Photography. At Coulsdon you will learn all you need about Lens Based Media. That includes digital cameras, film cameras and video, using practical experiments with our studio lighting and extensive darkroom to guide you.

But before you come I want you to show me how you can use everyday situations to create great photography. We are in unique times at the moment, so lets take advantage of that. The artists above have all taken photos of their surroundings to tell their experiences of being in a place and I want you to do the same. Take a series of photographs with the theme 'Me, Myself and Isolation' inspired by the work of the artists above, could you make collections? Paint on your photo? Or just record a moment in time?

WE LOOK FORWARD TO SEEING YOU IN SEPTEMBER
